

Magnolia Beach Erosion Control and Beach Restoration (Consent Decree Paragraph 59)

The purpose of this mitigation project is for erosion control and beach restoration at Magnolia Beach. Funds may be used for purchase and use of clean and uncontaminated fill material, planting of native plants, necessary construction to prevent future erosion, and necessary maintenance to prevent beach erosion.

All the funding for this mitigation project became available in 2022. Calhoun County has procured an engineering consultant to design the project. The Trust entered into a contract with Calhoun County on November 15, 2023 to complete this project. The project is currently in the engineering design phase.
