Mr. Steven J. Raabe, P. E., Trustee
Matagorda Bay Mitigation Trust

Dear Steven,

The Palacios Preservation Association three-month planning period for the Palacios Pathways, *Where History Meets the Horizon*, project is well underway. On May 27, the PPA is hosting an orientation and planning meeting for our community partners.

In April, strategic planning, contract discussions, and preliminary designs were initiated and volunteers were recruited to assist in the planning process. PPA Pathways content/graphic designer received an initial payment, during the month of April, of her project long contract for design services.

We hope that you will be able to join us for our first community partner lunch meeting. Please don't hesitate to call me if I can answer any questions.

Sincerely yours,

Grace Pierce
Executive Director
Palacios Preservation Association
